Cool styles for warm May days.

what we're all about

HomePortfolio presents an independent editorial selection of the world's best home design products, coupled with electronic brochures created for paying manufacturers. It offers a broad selection of products, informative content, easy-to-use search capabilities, and personalized tools for rating products and saving or sharing favorites. By combining product information in new ways and offering it for free over the Web, HomePortfolio offers time-strapped consumers a dramatically more convenient way to shop for premium home design products.
